

Your students already answer texts. Now their job search does too.

No app, no login. Students text a career agent any time for internships and jobs near them, while advisors see which seniors have gone quiet and why.

STUDENTS

A job search by text

- Works on any phone, nothing to install
- Live internships and jobs with pay, distance, and a link to apply
- Interview practice for a real role, any time

ADVISORS

Time for who's stuck

- Who has gone quiet or has no applications, and why
- Your own rules for what counts as at-risk
- Text a student in one tap

LEADERSHIP

First-destination outcomes

- NACE categories, current all year
- Every figure traces back to the students behind it
- Export for accreditors any time

Across campus

- Career services
- Deans and provosts
- Employer relations
- Community colleges
- Academic advising
- Institutional research
- Curriculum committees
- Alumni relations
